Since this recommendation was made the municipal law has gone back on itself & resolved to stick to annual collection of some of these items. Please verify the same. The collection of some of these items leads to a great deal of harassment by the servants of the contractors, which is not easy to put down in a legal manner.

Section 26 of the Municipal Regulation under which a resolution of the Council could be modified within three months of the passing thereof was discussed One view was that the proposition of which notice was given by 19 Councillors should be passed by not less than one-half of the whole -- number of Councillors Another view was that it was -- enough if the notice of the resolution is supported by not less than one-half of the whole number of Councillors and it was not necessary that it should ~~be~~ also be passed at the meeting by not less than one-half of the whole number of Councillors This aspect of law was discussed for some time, and then the subject was discussed on its merits by several members present

At 7 15 P M Mr D Gopalakrishna Rao proposed and Mr M Muniswamy seconded that the meeting be adjourned to -- Saturday the 8th instant at 5 30 P M
